Dear Recovery Well Permit Holder:

Enclosed are your Annual Recovery Well Report forms for calendar year 2008. The summary page is printed on the reverse side of this letter. This report is for Recovery Well Permit Holders who recover water annually (pursuant to A.R.S. § 45-851.01) or who recover Long-term Storage Credits. As a Recovery Well Permit holder, you are required to pay a Long-term Storage Recovery Fee.

The Department has preprinted certain information from our records onto these forms. If any of the preprinted information is incorrect, please make the necessary changes. Please note that a separate annual report form must be filed for each Recovery Well Permit. **Separate checks should be enclosed to cover the fees associated with each Recovery Well Permit and the Recovery Well Permit number should be written on the check.**

Persons who did not recover water during 2008 are required to return the form with zeros in the appropriate blanks.

Reports must be received by the Department or postmarked no later than March 31, 2009. The penalty for filing late is \$25.00 per month or part of a month that the report is late up to \$150.00. In addition, if you recovered Long-term Storage Credits and did not pay the Long-term Storage Recovery fee on time, the penalty is 10% of the unpaid fee per month or part of a month that the fees are delinquent, up to a maximum of 60% of the unpaid balance. In addition, after six months, the Department may take further enforcement action for failure to file an Annual Report, including seeking civil penalties in an amount not less than \$250.00.

We have tried to provide you with the proper forms according to information in our files. Failure to receive the proper forms does not relieve a person of the responsibility of keeping the required records or filing the required reports. You may wish to copy this report for your records.

If you need help or have questions, contact your AMA office listed at the top of your report form.

Sincerely,

Sandra Fabritz-Whitney
Assistant Director
Water Management Division
